

Bureau of Parks & Urban Forestry City Street Tree Request Form

The Norfolk Bureau of Parks & Urban Forestry is dedicated to planting, protecting, and maintaining Norfolk's trees for aesthetics, environmental conservation, and livability of neighborhoods.

To request a tree be planted on city property, please complete the following information and email it to RPOS-Parks&UrbanForestryAssist@norfolk.gov. You may also request a planting by calling the Bureau of Parks & Urban Forestry at 757-823-4023. Please note this form is a request only. Plantings are dependent on the requested location and current tree inventory. Approved requests will be planted during the months of November through March. If your planting is approved, a door hanger notification will be placed at your home address.
